Spooky Small Print: Prices may change subject to fluctuations in material and shipping cost. These prices do NOT include design costs (\$60/hour) or any applicable tax. Orders over \$50 must be pre-paid (cash, check, PayPal). Customer is responsible for proof-reading the content; once you've approved a job and the job is ordered there's no turning back. The prices listed are for good quality paper and standard sizes – if you'd like to see more options, just lemme know (as a general rule of thumb, different paper styles don't change the cost much, but different sizes will affect the cost dramatically). If you order more than one item, business cards for several employees for example, there may be a break in shipping costs.
